

Join us for the 2025 SEASON of FIELD of ANGELS!

The *Field of Angels* baseball league is for children who have been identified, by an agency or professional, as having a physical, intellectual, or developmental disability which prevents their ability to play baseball in a traditional league. Our league plays both t-ball and coach pitch. Teams of all-stars are at all levels and abilities, encouraging participation in wheelchairs, walkers, and assisted independence. With the opportunity to play, there is a feeling of excitement and acceptance. Coaches, families, volunteers, and friends feel the magic through these special players and all love to participate in America's Favorite Pastime!

✓ We play at Skyline High School on Thursday evenings.

Games will be played June 5, June 12, June 19, June 26, July 3, and July 10.

✓ Bring your own buddy!

There will be volunteers, but there is no guarantee there will be someone to assist the all-star every game.

(If you have a group or individual that would like to volunteer as a Buddy, please contact Becky @ 208-757-1647.)

✓ We are collecting a \$10.00 non-refundable donation.

Please write checks to the *Children's with Disabilities Foundation*.

(If this fee is a challenge for any of our possible players, please contact us. We don't want any child to miss the opportunity to play because of the fees.)

Complete Registration!
Turn in Medical Permission
and donation by Thursday, May 15th.

Please make sure you legibly complete the forms.
Watch for updates through email, texts, and Facebook.

With any questions or concerns, please contact Becky Wegener by phone or text at 208-757-1647.
